Dear ETPC members, Tractorpulling friends,

In the last ETPC meeting, Eline ter Haar has announced to resign her job as secretary of the ETPC with immediate release.

After 13 years spending many hours in the ETPC Board membership, Eline needs more time for her own business. One year ago Eline started her own Agricultural travel agency.

We want to thank Eline for her input through all these years and we wish her a very good development of www.trekkerreizen.nl.

Eline thanks again!

On behalf of the ETPC daily board,
Jan Buitenhuis

Dear ETPC members, Tractorpulling friends,

After the resignation of Eline ter Haar as secretary of the ETPC we quite soon got into contact with a new candidate for this position.

Her name is Yvonne Vreeswijk; She's 30 years young and at this moment active in the "security business" as Marketing Communication Manager.

Yvonne has worked before in the Automotive Business and also has several years of experience in the world of Tractor Pulling.

She has a reasonable technical knowledge and together with her specialities in Marketing and Public Relations we think Yvonne will fit very good in the team of the Daily Board of the ETPC.

For this moment Yvonne will do the secretary job at least till the "Elections" of the board members during the Annual ETPC meeting, spring 2010.

Yvonne, we want to thank you for joining us and welcome you in our team for hopefully many good years of working together.

On behalf of the ETPC daily board,
Jan Buitenhuis
